

Seed Request Form

Use this form to make seed requests from Listers

Fill out a Seed Request Form for each Lister you are requesting seeds from. Mail it along with with the appropriate payment. Unless the Lister has requested different prices (noted in item descriptions and/or in the Lister profile), use the table of prices on the back of this page.

Thank you for observing the rules and courtesies outlined at the front of the Yearbook.

Pricing and Shipping Guidelines

The prices in the Exchange reimburse the lister for the cost of packing and shipping seeds. The seeds themselves are free. Listers are allowed to set their own prices for shipping seeds, so be sure to pay attention to the settings of each lister you request seeds from. If a lister has not set their own prices, please use the suggested prices:
